

End of Term

As we approach the last two weeks of the term, I would like to thank our community for their support in assisting our school to deliver quality learning experiences to our students. We have had a very productive and busy term with our students being engaged in many fantastic learning opportunities. Over the next two weeks we still have our Parent Meeting, Stage 1 Public Speaking finals at Port Kembla Public School, Stage 3 History Expo, Live Life Well film production, K-2 Killalea Excursion and our PBL Fun Afternoon. What an exciting end the term. Enjoy the two week break and we look forward to seeing the students refreshed and ready to learn on Monday 15th October 2018.

Please join us at this meeting to find out more about our wonderful school.

Live Life Well

Cringila Public School was selected by our Local Health District to participate in the Live Life Well @ School video project. We were selected because of our current positive engagement in the Live Life Well @ School health-education goals. The project is being undertaken in partnership with NSW Health. A series of videos to demonstrate how schools are implementing Live Life Well @ School will be created. The videos will be used by teachers across NSW as a resource. We will be promoting our implementing of Fundamental Movement Skills, our Living classroom program and being recognised as having a 'GrEAT choice' healthy school canteen.

The filming for this video will take place on Tuesday 25th September 2018 and Friday 28th September 2018. Teachers, students and community members will be interviewed for the video. A note for participation in the production of this video will be sent to individual students.

Homework Club

Homework Club is finished for Term 3. Thank you to the Smith Family for providing this free service to the school. We will be running the Homework Club again in Term 4 on Tuesday afternoons beginning in Week 2, 23rd October. The program is open to all students from Year 2 to Year 6. Breakfast Club

Thursday morning Breakfast Club is an excellent initiative at our school that ensures every student begins the day with a nutritious meal, which is essential for focus and concentration. Up until now, we have been fortunate enough to work with a local charity, which, due to unforeseen circumstances, can no longer provide food for us. We are still searching for a business who may be able to donate bread, milk, and fruit on a weekly basis or a money donation to enable us to continue this program for our students. If you know any businesses that may be able to assist us, please contact Miss Butcher.

5 kg Box Cadbury Favourite Chocolate Raffle

During the last two weeks of this term, we will be raffling a 5kg box of Cadbury Favourite Chocolates. Tickets can be purchased from the foyer every morning before school. Tickets are **50c** each. Congratulations to the students who have been respectful, safe and responsible and will be able to enjoy the activities at the PBL fun afternoon.

Tell Them From Me Survey

This term, the students, staff and parents of Cringila Public School will be participating in the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers, students and teachers questions about different factors that are known to impact on student wellbeing and engagement.

Completing this survey will help our school understand perspectives on student's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, ipads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 3rd September and 28th September. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>. To access the survey for our school go to: <https://nsw.tellthemfromme.com/j497z>.
